

AXBOX-I226-AV

Intel Celeron Mini industrial pc

Features

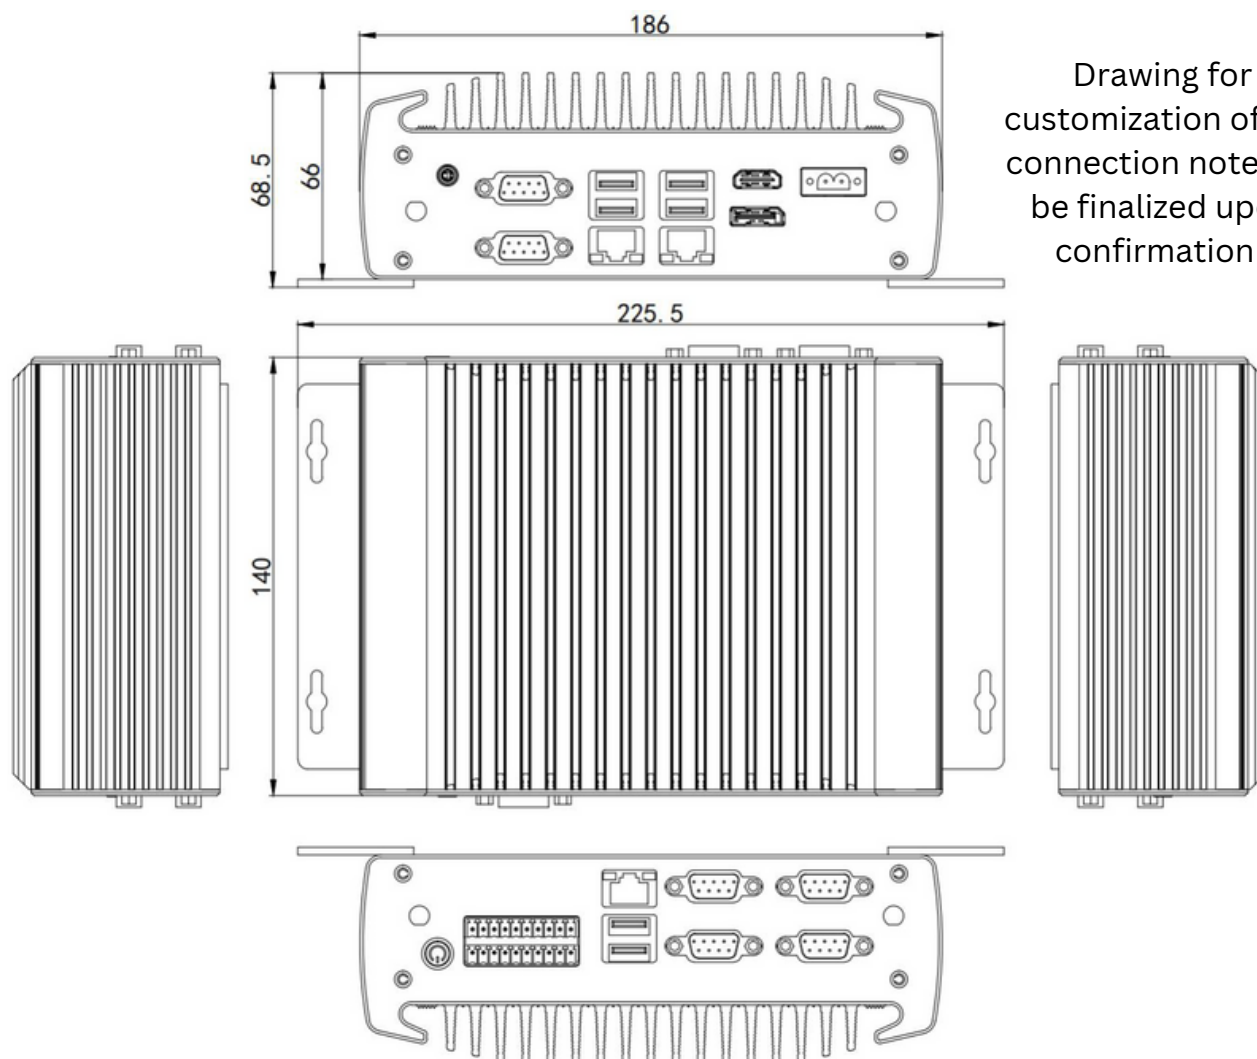

All aluminum structure, fanless design
Intel Elkhart Lake 10th Gen
Support DDR4 Sodimm Memory up to 32GB
Support 2*M.2 slot,
Support 6*COM COM1&2 can be optional RS232/485)
Support 3 x 2.5G LAN ports
Support OS:

Specification

Model	AXBOX-I226-AV
Color	Dark Grey (Can be customized)
Material	High quality aluminum alloy
Processor	Onboard Intel Celeron J6412 (quad core, four threads, 2.0GHz, Max to 2.6GHz)
Memory	Onboard Intel Celeron J6412 (quad core, four threads, 2.0GHz, Max to 2.6GHz)
BIOS	AMI UEFI BIOS
Display Chip	Integrated Intel HD Graphics
Display Port	4*HDMI display interface (support synchronous/ asynchronous multi-display)
Front I/O	4*COM, 2* USB2.0, 1*Intel 2.5G Lan, 18 bits GPIO Phoenix, 1*Power switch (To be made aviation connector)
Rear I/O	2*COM (COM1 and 2, RS232/485 optional) 2*USB2.0, 2*USB3.0, 2*Intel 2.5G Lan 1*HDMI, 1*DP to VGA, 1* 2Pin Phoenix, 1*Audio with Mic and Speaker + (AV input x 2 connectors)
Expansion Slot	1*M.2 M-key slot 2280, SATA protocol 1*M.2 B-key slot 3042/3052 (for 4G/5G module) with SIM slot; 1*MINI PCIE slot (for WIFI&BT) 2*USB2.0 (Extensible ports, standard does not include)
Network	3*Intel i226-V 2.5G Lan
Storage	1*M.2 slot (SATA protocol) , 1*2.5" SSD/HDD
Input voltage	DC 12V input
Other functions	Auto power on when there is electricity, Timing boot, Wake on LAN, PXE boot, Watchdog (0 ~ 255 level)
Work temperature	-20°C ~ +60°C (industrial SSD), Air flow surface
Work humidity	5% ~ 95% Non-condensing state
Certification	CE、CCC、FCC Class A、 RoHS
Size	186 * 140 * 66 mm
Weight	1.5kg 【without wall mount 】
Install Ways	Wall mount, Desktop
Application	Industrial automation, medical, logistics transportation, warehouse, machine vision, etc

AXBOX-I226-AV Drawing

Drawing for customization of the connection note will be finalized upon confirmation

Accessories List

Name	Quantity	Specification
Power Adapter	1	12V 7.5A EU
		Power adaptor not included for IN vehicle model
Power Cord	1	

Configuration 1	AXBOX-I226		Standard Port
Configuration 2	-AV		Standard Port
